

## 3rd YPA in Oslo – Do you want to be a part of this great event?

The 3<sup>rd</sup> YPA will take place in **Oslo** and will last 5 full days from **7<sup>th</sup> of March until 11<sup>th</sup> of March 2018**.

You can be part of a group of about 36 young people with albinism from different countries all over Europe. Participants will come from France, Italy, Denmark, Norway, Finland, Spain, Turkey, UK & Ireland and Germany.

### Which activities will be included in the YPA program?

The YPA project is generally based on a very flexible format, meaning that in every edition new and different things are done. The red thread that combines all editions is the encounter and confrontation among young albinos from different countries; how to facilitate this comparison is something that is invented in a new way each time.

Look at the links of previous editions to get an idea and impressions. For next year, the Norwegian organizers are still working on the program, but there will certainly be tourism in Oslo, sports activities, etc. Links to the 4th EDA website and to material from previous YPA editions:

The first edition was in Valencia in 2014 (<http://www.albinism.eu/index.php/european-days-of-albinism/1st-ypa-valencia>), the second in 2016 in Milan (<http://www.youthalbinism.eu/>).
